Description of Services: SKILLS, INC is a private, non-profit organization that provides services to adults with cognitive disabilities. These service are delivered with five core values in mind: family, teamwork, respect, honesty, and caring. From these values, SKILLS seeks to understand people in the context of where they came from, who they are today, and who they want to become.

SKILLS unique attribute is its social entrepreneurial spirit. It is through this spirit that we develop businesses that both employ people with disabilities as well as contribute to the agency's financial well being.

Specific Services:

- Residential Supports
- Small 2-6 bed homes
PNMI services
Home and Community Supports
- Community Supports
 - Employment Supports, through agency-developed businesses.

Services are provided in the Waterville, Shawmut, Hinckley, Clinton, Caanan, Skowhegan, Athens, Hartland, St. Albans, Palmyra, Pittsfield, and Newport areas.
